Notes:

1. Outside crates must be made of plywood; Internal bags must be made of heavy-duty nylon
2. Inside bags and any external packaging must be labelled with the shipping labels provided by Delkor. The label must clearly show the quantities inside each bag and each crate
3. All internal and external packing and labels must be photographed, sent to, and approved by Delkor Rail before dispatch
4. Please let us know if this PCP needs to be changed at least 15 days before packing.
